Take home readers
Beginning week 3, the children in the 3/4 area will bring a reader home each night. It is important that the children read to someone at home so they can practise their fluency and expression - even very good readers need this practise. The name of the book, and the page numbers read, need to be entered on the correct day in the child’s diary and this needs to be signed by the person who has heard them read. The children must bring their diary to school every day.

Absence Notes
It is a legal requirement that the children bring a written note for any time they are absent from school. These notes are collected and archived. It would be a great help to us if your child comes with a note each time they are away. Please don’t write these in the diary.

Fruit
On most days, each class has Fruit and Serial straight after lunch. We would encourage all children to have fresh fruit for this time.
**Uniform**

We are encouraging the children to take pride in their appearance and in their school uniform. Please remember that children need to wear school colours in their hair and long hair is to be tied back. If the children are wearing ribbons, headbands or scrunchies, they must be school colours. Children are not to wear any jewellery, except for studs and a wrist watch. No nail polish is not to be worn. Grey socks are to be worn Monday to Thursday and white socks Friday. If for some reason the children need to wear runners on another day, please write a note in their diary.

**Clean Eating**

This is part of our environmental studies program. We are promoting lunch box food that has limited or ultimately no wrappers. This will help to reduce our environmental impact footprint at our school and throughout our world. We would hope that the children could follow our theme: “Nude Food, Wipe Out Waste!” motto. Create a rubbish free lunchbox!

**3/4 Camp**

Our grade 3/4 overnight camp will be held on the 2nd and 3rd of June, which is week 8 of term 2. Our camp this year will be to Coonawarra, near Bairnsdale. It is a fantastic opportunity for your children to socialise and develop skills outside the classroom setting. You will receive more information about the camp later this term.
